

Employment Announcement

October 14, 2024

For Immediate Release

ESCO Contractors, LLC is excited to welcome Brian Carlin to the ESCO team. Brian joined the operations side of the company on October 7th out of the Pickerington, OH office. Brian joined the company as General Manager and reports directly to David Jaynes, Executive Vice President.

Brian brings with him a long history in the electrical T&D space. Brian got his start with his hometown municipal electric company in Bryan, Ohio, becoming Superintendent of Electrical Distribution in 2007 and Director of Municipal Operations for the Village in 2012. In 2016, Brian was hired as Director of Regional Operations for Intren in Union, IL and most recently comes to ESCO from Aldridge Construction as a Division Manager since 2021. Brian is most looking forward to engaging with the current ESCO staff and leveraging his operations and management experience to drive ESCO success forward.

Brian will remain working out of his home where he enjoys spending time with his wife, son, and grandchildren. Brian remains active in his community volunteering for the Youth Girls Softball Association, Habitat for Ohio, and helping his parents on their family farm.

Please help us welcome Brian to ESCO Contractors, LLC!

For any questions, concerns, or comments, please contact either David Jaynes or Karl Newman.
